Note: Only the major support categories are shown.  
Note: A utilisation rate may be above 100% due to the fungibility of core supports. This refers to the ability of participants to use their funding flexibly between different support types, albeit within certain limitations.

Indicator definitions	
Active participants with approved plans	Number of active participants who have an approved plan and reside in the LGA / have supports relating to the support category in their plan
Registered active providers	Number of registered service providers that have provided a support to a participant within the LGA / support category, over the exposure period
Participants per provider	Ratio between the number of active participants and the number of registered service providers
Total plan budgets	Value of supports committed in participant plans for the exposure period
Payments	Value of all payments over the exposure period, including payments to providers, payments to participants, and off-system payments (in-kind and Younger People In Residential Aged Care (YPIRAC))
Utilisation	Ratio between payments and total plan budgets
Outcomes indicator on choice and control	Proportion of participants who reported in their most recent outcomes survey that they choose who supports them
Has the NDIS helped with choice and control?	Proportion of participants who reported in their most recent outcomes survey that the NDIS has helped with choice and control
