Participant and families/carers outcomes at Scheme entry and changes of outcomes between Scheme entry to subsequent yearly reviews, as at 30 June 2021

Service district: Toowoomba

Outcomes indicators:

Percentage (%) shown for each outcome indicator represents the proportion of participants whose response satsifies the outcome indicator description.

At Scheme entry: includes participants who entered the Scheme after the 30th of June 2016 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to dirst review: includes participants who have been in the Scheme for one year as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to second review: include participants who have been in the Scheme for two years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to third review: include participants who have been in the Scheme for three years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants. Participant's Local Government Area at Scheme entry is based on participant's address closest to the effective date of the baseline plan. Participant's Local Government Area at subsequent review is based on participant's address closest to the effective date of the review plan.
